What is it?

Hoopla provides instant, free access to movies, TV shows, eBooks, audiobooks, music, comics, and more!

Where can I find it?

Hoopla is available in the Apple [App Store](#), Google [Play Store](#), or in your web browser at hoopladigital.com.

It also works with streaming devices such as Roku, Chromecast, and Apple TV.

How does it work?

Create an account with your library card and borrow up to 10 items each month. There are never any waitlists, fines, or fees!

My Hoopla has your current borrows and personal history.

Browse the collection by selecting a format.

Search by title, author, artist, or keyword.

Set parental controls by enabling **Kids Mode**.

Access your personal settings with the **Gear**.
