EMERGENCY UPDATES IN RESPONSE TO COVID-19 PANDEMIC

We have implemented the following emergency provisions to keep staff and patrons safe when visiting the library:

- Masks are not required for library patrons.
- Public computer equipment will be provided at the director's discretion.
- These procedures may be updated by the library director informed by the CDC, NYS and Albany County Health Departments. The Library board will be notified of changes via email and changes will be discussed at the following month's board meeting.
- The library staff may require patrons to leave library property if they are unwilling to comply with these safety guidelines.

If these emergency provisions cannot be met, please contact the information desk at information@bethpl.org or 518-439-9314 ext. 2 to find an alternative solution to meet your service needs.

Bethlehem Public Library values its responsibility to enhance the general welfare and quality of life in the community and region it serves. The library pursues excellence in its mission: to provide equal and uncensored access to resources and services that encourage lifelong learning, cultural enrichment, and professional growth.

Library patrons have the right to use library materials and services without being disturbed or impeded by other library users. Library staff have the right and obligation to conduct library business efficiently and without interference. Patrons and staff alike have the right to safety and comfort in the library and on the grounds.
